Office of the State Public Defender - Notice to Clients - File Retention Policy

When an attorney represents an individual, s/he makes and keeps a file of the documents and work done on the case. Attorneys on staff with the Office of the State Public Defender (SPD) create and maintain such files for each case. This notice applies only to cases handled by staff attorneys of the Office of the State Public Defender. If your case has been assigned to a private attorney, please consult that attorney about his or her file retention policy.

Upon the conclusion of the representation in this case, the SPD will, upon your request, deliver the original file or any portion requested, to you, along with any of our original documents or other property that the SPD has in its possession.

If you do not request your file, the SPD will retain it for a period of at least five years after the matter is closed. At any point during this period, you may request delivery of the file. If you do not request the file before the end of the five-year period, the SPD may, in its discretion, destroy the file and its contents without further notice to you.
