Re: *Clarke v. WEC*, Case No. 23AP1399

Dear Clerk:

On March 11, the Wisconsin Legislature filed a motion to dismiss this action in light of the Legislature's enactment of the Governor's proposed maps. On March 15, the Wisconsin Elections Commission filed a separate motion for clarification as to which maps to use for any recall or special elections. The Johnson Intervenor-Respondents submit this letter to indicate their positions on these two motions.

With respect to the Legislature's motion to dismiss, the Johnson Intervenor-Respondents support that motion and agree that this case should be dismissed.

With respect to the Commission's motion for clarification, the Johnson Intervenor-Respondents take no position.

Sincerely,

Electronically signed by Luke N. Berg
