Case No. _____

DEAN PHILLIPS,

Petitioner,

v.

WISCONSIN ELECTION COMMISSION AND
WISCONSIN PRESIDENTIAL SELECTION COMMITTEE,

Respondents.

AFFIDAVIT OF JEFFREY WEAVER IN SUPPORT OF EMERGENCY PETITION TO TAKE JURISDICTION OF AN ORIGINAL ACTION AND FOR WRIT OF MANDAMUS

AFFIDAVIT OF JEFFREY WEAVER

STATE OF Virginia)
) SS.:
Fairfax COUNTY)

JEFFREY WEAVER, being duly sworn, on oath deposes and says:

1. I am a Senior Advisor to Dean 24, the official presidential campaign of Congressman Dean Phillips (the "Campaign").

2. Except where expressly indicated, I subscribe this affidavit based on my personal knowledge. I am willing to testify regarding the facts set forth herein, upon due notice, if called to do so.

3. The Campaign was aware that the Wisconsin 2024 Presidential Preference Selection Committee (the "Committee") would hold a meeting on January 2, 2024 at which it would identify candidates for placement on the presidential primary ballots of the major parties.

4. Representative Phillips is a nationally recognized candidate for the Democratic Party's nomination for the 2024 presidential election, and is seeking placement on the ballot for Wisconsin's 2024 Democratic Presidential Preference Primary (the "Primary").

5. On behalf of the Campaign, I made numerous attempts to advise the Wisconsin Democratic Party ("WisDems") of Representative Phillips' candidacy and desire to be placed on the Primary ballot.

6. On December 2, 2023, I contacted WisDems chair Ben Wikler by text message to request a conversation about ballot access for the Primary. True and accurate screenshots showing my text message exchange with Mr. Wikler are attached as Exhibit 1.

7. Mr. Wikler responded on December 3, 2023 indicating that the we could "connect this week." Ex. 1, p. 1.

8. On or about December 6, 2023 I received a call, not from Mr. Wikler but from WisDems Executive Director Cassi Fenili. I explained to Ms. Fenili that Representative Phillips had been accepted to the ballots of numerous other states, and requested that the WisDems include him on the ballot for the Wisconsin Primary. Ms. Fenili acknowledged my request and gave me no indication that it would not be granted.

9. Upon learning that the WisDems had not included Representative Phillips in their list of Primary candidates announced at the Meeting, I sent Mr. Wikler a final text message to convey my disappointment with what I considered to be an undemocratic decision. Ex. 1, p. 4.

10. While Wisconsin permits presidential primary candidates to obtain ballot access by circulating petitions for signature, this is a time-consuming and costly process.

11. The Campaign solicited estimates from petition circulators in Wisconsin and was quoted a price of roughly $300,000 to obtain the minimum 8,000 signatures (1,000 for each Congressional District) required by Wisconsin statute.

12. Wisconsin law is supposed to allow candidates whose candidacies are "generally advocated or recognized in the national news media throughout the United States" to bypass this costly process, by requiring the Committee to place such generally recognized candidates directly on the ballot.

13. Representative Phillips' presidential candidacy is generally recognized by national news media, by any objective measure.

14. Representative Phillips announced his long-teased candidacy on October 26, 2023. Since he announced his candidacy, Representative Phillips has consistently averaged between 3 and 7% support in nationwide head-to-head polls among Democratic primary contenders.

15. The poll aggregator website FiveThirtyEight hosts an overview of these polls. *Available at* https://projects.fivethirtyeight.com/polls/president-primary-d/2024/national/ (last visited Jan. 20, 2024). Its overview of the 2024 Democratic primary polls states that "Our average includes all candidates that FiveThirtyEight considers 'major.' Candidates with insufficient polling data are not displayed in the averages." *Id.* Representative Phillips is one of three "major" Democratic primary candidates listed by FiveThirtyEight.

16. Representative Phillips also qualifies if media recognition is measured by volume of media exposure: Media analytics tools available to the Campaign indicate that, as of December 27, 2023 (i.e. around the time of the Meeting), his candidacy had been mentioned in national non-print (television and radio) news and/or advertisements an estimated 13,951 times since it was announced on October 26, 2023. This estimate was generated using the media analytics database Critical Mention, by running a search for Representative Phillips' name, together with the word "Biden," from October 26, 2023 through December 27, 2023. A print-out showing a summary of these search results and the first 500 media mentions is attached as Exhibit 2. While a full report of all 13,951 (and growing) media mentions is too voluminous to be included in this exhibit, I am prepared to submit the full report upon request.

17. Television and radio stories concerning Representative Phillips' candidacy have reached a combined audience of approximately 832,285,230 non-unique viewers and listeners. Ex. 2, p. 1. The estimated value of airtime (i.e. if it had all been purchased as paid advertisement) devoted to discussion of Representative Phillips's candidacy has been roughly $55,689,291—and this is just in the last two months of 2023 alone. *Id.*

18. In addition to coverage in national television and radio outlets, Representative Phillips' candidacy has also generated attention in online news and social media, gathering over

70,000 known mentions, and over 2.5 million engagements (i.e. views and reshares) between October 1, 2023 and December 28, 2023 (i.e. just before the Meeting). These estimates were generated using the social media analytics platform Sprinklr. A summary of Sprinklr's current Overview report for Representative Phillips, as of December 28, 2023, is attached as Exhibit 3.

19. In states with ballot access statutes that require state officials to grant ballot placement to any primary candidate generally advocated or recognized in national news media, Representative Phillips has been consistently placed on the Democratic primary ballot.

20. On January 1, 2024, Massachusetts Secretary of Commonwealth William Galvin certified Representative Phillips to the Democratic Presidential Preference Primary ballot "[i]n accordance with state law," after determining that he was a "nationally recognized candidate." Exhibit 4, p. 1 (January 1, 2024 press release from Secretary Galvin, announcing drawing for Presidential Primary ballot order).

21. On January 19, 2024, Connecticut Secretary of State Stephanie Thomas certified Representative Phillips to the Democratic Presidential Preference Primary ballot, noting that Connecticut law requires the Secretary to do so "if she determines that the 'candidacy of such person for such party's nomination for President is generally and seriously advocated or recognized by reports in the national or state news media.'" Exhibit 5, p. 1 (January 19, 2024 press release from Secretary Thomas, announcing qualifying primary candidates).
