all Wisconsin District Attorneys.

---

AFFIDAVIT OF [REDACTED] (LESLIE K.)

---

STATE OF WISCONSIN )  
  ) ss  
DANE COUNTY           )

I, [REDACTED], being duly signed and sworn, state as follows:

1. I am an adult resident of the State of Wisconsin.
2. To protect my identity, I am proceeding in this matter under the pseudonym "Leslie K."
3. I believe that I have the right and should have the legal authority to make decisions about whether or not to have a child, including the right to make decisions about whether or not I will carry a pregnancy to term.
4. I am a female of child-bearing years. I have no medical condition that would prevent me from becoming pregnant.
5. I obtained an abortion for an unintended pregnancy in 2016.

6. At the time I became pregnant, I was taking affirmative measures to avoid pregnancy. My contraceptive intrauterine device (IUD) failed, resulting in the unintended pregnancy.
7. My fiancé and I did not wish to have children at the time I became pregnant. I was working extremely long hours in the field of healthcare information technology, and I traveled around the country on a weekly basis. I knew I would not be able to continue in my position if I were to have a child.
8. Ultimately, I decided to have an abortion because my fiancé and I did not wish to have the child, and I knew I could not advance in my career at the time with a child.
9. I firmly believe that obtaining an abortion was the right decision for me.
10. My now-husband and I have since had no children, and still do not wish to have any. I take affirmative measures to prevent pregnancy.
11. If I were to become pregnant again unintentionally in the future, I would consider obtaining an abortion.
12. I provide this affidavit in support of the Petition to the Wisconsin Supreme Court to Take Jurisdiction of an Original Action filed by Planned Parenthood of Wisconsin, et al.

Signed and sworn to before me  
this 16th day of February 2024.
