Proposed Intervenors, Wisconsin Right to Life, Wisconsin Family Action, and Pro-Life Wisconsin, by their undersigned attorneys at the Wisconsin Institute for Law & Liberty and the Thomas More Society, pursuant to Wis. Stat. §§ 809.13 and/or 803.09, hereby move to intervene to oppose this Petition for Original Action, or, if the Court accepts this original action, to oppose Petitioners' claims on the merits.

In the alternative, pursuant to Wis. Stat. § 809.19(7)(b), Proposed Intervenors move to file their proposed response as an amicus brief in opposition to this Petition for Original Action. Proposed Intervenors' brief in support of intervention also explains the interest of the Proposed Intervenors and why an amicus brief by them is desirable. *See* Wis. Stat. § 809.19(7)(a).

This motion is timely, both with respect to intervention, and with respect to the deadline for filing an amicus brief according to the deadlines set forth by this Court, as well as by statute. 4/16/24 Order; Wis. Stat. § 809.19(7)(b); Wis. Stat. § 809.70(2).

This motion is supported by the affidavits and brief in support of intervention submitted simultaneously with this motion, and is accompanied by a proposed response (or, in the alternative, amicus brief) in opposition to the Petition for Original Action.

### **CONCLUSION**

This Court should reject Petitioners' Original Action Petition and their attempt to create a constitutional right to abortion in Wisconsin. But, if this Court takes this original action, it should grant Proposed Intervenors' motion to intervene to oppose this claim on the merits or, in the alternative, grant Proposed Intervenors leave to file their Proposed Response as an amicus brief.

Dated: April 25, 2024.

Respectfully submitted,
