## PETITION FOR REVIEW

*Robin Lavance Perkins Defendant- Appellant* hereby petitions the Supreme Court of the State of Wisconsin, pursuant to Wis. Stat. § 808.10 and Wis. Stat. § (Rule) 809.62 to review the decision or order of the Court of Appeals, District IV, in \_\_\_\_\_, Case No. 2021AP2220 (*June 30, 2022*)

## ISSUES PRESENTED FOR REVIEW

The issues presented for review are: (*describe issues in list format*)

**[For example: 1. Does the evicted person of 104 Eagles Heights at the direction of the university in order to remove person allocated by a contract constitute an eviction for purposes of the Rental agreement set forth by the institution and guaranteed by the Wisconsin State Legislature Chapter 704?**

The Court of Appeals decided the issues as follows:

appeal is rejected, and the order of the circuit court is affirmed.

The reasons the Supreme Court should grant review are:

**The Court should grant review because the issue described above presents a novel question of constitutional law that the Wisconsin Appellate Court have not previously considered. Resolution of these issues by the Supreme Court is necessary to provide guidance to the lower courts and housing authority at the university regarding the limits that administrators must observe in attempting to evict person of violating contractual agreement .**

#### **STATEMENT OF FACTS AND OF THE CASE**

**Person was evicted from 104 Eagle Heights by housing authority.**

**and**

**Person asked the courts to help with the matter. Courts failed to do anything but agree with the eviction.**

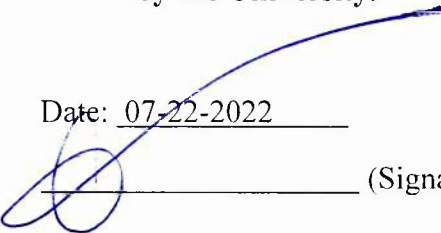

**and**

**Person is unable to find housing because eviction is attached to housing and credit history. Person lived in housing for five months only.**

#### **ARGUMENT**

**Supreme court should review in light of the situation that does not allow person to find housing. Person is homeless because of the inability of the courts to find just cause in seeking legal accountability for the actions taken by the University.**
