ARGUMENT

District Attorney Riniker states that the female became uncooperative by Andrejczak interjecting, however, the female is free to remain silent and she exercised her right to do so under her own will, Andrejczak was not telling her "you better not say anything or else!". Also Andrejczak maintains he's side of the story that he was never speaking to this female.

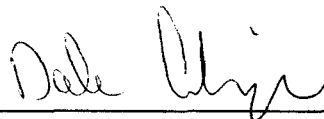

Deputy Jacobson says he had not seen anyone with Mr. Andrejczak, I argue, that just because he failed to see with whom Andrejczak was speaking with, does not mean he wasn't in the general area.

CONCLUSION

Appellant Dale Andrejczak request the Court of Appeal to reverse the trial court's finding of guilt.

Dated this 11th day of May, 2019.

Respectfully submitted,
