You are hereby notified that the Court has entered the following order:

No. 2021AP1450-OA Johnson v. Wisconsin Elections Commission

Pending before the court is an original action filed by petitioners Billie Johnson, et al. This order provides scheduling expectations for the parties in the event new maps are not enacted into law, and it becomes necessary for this court to award judicial relief.

The court intends to issue an opinion on or about November 30, 2021, answering the first three questions posed in this court's order dated October 14, 2021, and briefed by the parties and amici, namely: (1) Under the relevant state and federal laws, what factors should we consider in evaluating or creating new maps? (2) The petitioners ask us to modify existing maps using a "least-change" approach. Should we do so, and if not, what approach should we use? and (3) Is the partisan makeup of districts a valid factor for us to consider in evaluating or creating new maps?
