**SECOND SUPPLEMENTAL REPORT OF DR. STEPHEN
ANSOLABEHERE
IN SUPPORT OF HUNTER INTERVENOR-PETITIONERS'
PROPOSED MAPS**

Executive Summary

The purpose of this brief Second Supplemental Report is to provide the Court with an analysis of how some of the proposed congressional maps treat county borders. In the table below, I provide a list of each whole county and each partial county that is contained within the current congressional districts, and those proposed by the Hunter Intervenors, the Governor, and the Congressmen. In the table, the term “Entire County” refers to counties that are wholly included in a district, while “Part County” refers to counties that are in more than one district, but at least a portion of that county is included in the district. My compensation and qualifications remain unchanged from my opening report.
