**Re: *Johnson v. Wisconsin Elections Commission, No. 2021AP1450-OA;*  
Letter of No Position On Congressmen's Motion To Submit Modified Version of  
Remedial Map**

Dear Ms. Reiff,

On January 4, 2022, the Court issued an order permitting parties to file a response to the motion of intervenor-petitioners Congressmen Glenn Grothman, Mike Gallagher, Bryan Steil, Tom Tiffany, and Scott Fitzgerald seeking leave to "submit a modified version of their Proposed Remedial Map for this Court's consideration." This letter is to inform the Court that intervenor-respondent the Wisconsin Legislature will not be filing a response brief and takes no position on the motion. The Wisconsin Legislature continues to support SB-622 as enrolled as the remedy to Petitioners' claim relating to the congressional maps.

Sincerely,
